RIGHT NOW MEDIA:

An opportunity has presented itself. Have you ever heard of “Right Now Media”? This is an online video streaming organization that provides academic, cultural, Biblical, and instructional programming for everyone in our school for a flat monthly fee. This fee provides for unlimited logins on an unlimited number of screens. Our administration and staff have reviewed content and would love to be able to facilitate its proliferation to all our alumni, families, and friends of CGCA. In order to make this resource available to our students and families we need to raise support. If you know of anyone that would like to help provide this amazing resource to our CGCA extended family, please encourage them to promise a monthly or annual gift. We would like to enlist supporters to help fund the program that requires \$2,000 annually. If you know of anyone who would like to sign up to provide as little as \$10 per month, please pass this message along. At the end of this note we will explain to donors how to sign up to have their gift come out monthly, as a 1 time or as an annual gift.

Once again this is a great resource of inspiration, training and growth for students, teachers, parents and anyone interested in maturing and learning how to better be used of our Lord and Savior, Jesus Christ. If we can raise enough support for the annual cost of the program you will all have access to a huge video library. This can help make you a better, more knowledgeable parent, grandparent, friend, or family member.

Donating to this cause is very easy. On our website www.cgca.org click on “Support CGCA Financially” located on the right side of our page near the top. Here you can click on the “Pay Pal” link and type in the amount. Check the box if you would like to make this a monthly gift or not. Then chose if you want to use your credit card or your Pay Pal account (if you have one). Feel free to call our school office or assistance or clarification. Please prayerfully consider giving to this exciting opportunity.

In His Grip,

Jeffrey Howard, Principal
