#19 6/19/17 Final issue of the weekly newsletter for the 2016-2017 school year

Have a WONDERFUL SUMMER everyone. *I did want to take a moment and thank all of you for your partnership and support this school year. We look forward to seeing you all next school year. We have several projects planned for the summer to make sure CGCA is ready for the September rush. If I can be of any assistance throughout the summer, please do not hesitate to call the school and ask for me. My prayer is that you will have a refreshing and rewarding break with your kids and use some of the "down time" to strengthen ties with family and friends and draw near to our Savior. Have a great summer!*

CGCA Graduations: *Both Kindergarten graduation and 8th grade graduation were outstanding this year. Thank you all for supporting your child and our school this year and in these important events.*

ATTENTION PARENTS: *Just a reminder that final Report Cards and Daycare bills will not be sent home. They are ready for pick up at the school office any week day now from 8:30 am to 1pm.*

A SUMMER MATH PACKET was sent home with each child in K through 4th grade. The students are to complete the work as math review throughout the summer. The completed packet is to be given to the teacher upon return to school on September 5, 2017. Most students in grades 2-4 were offered and signed up for Splash Math for a nominal fee! This is our new online option that will eventually replace the math packets.

SUMMER READING PROGRAM: Readers are leaders. To help keep students in the good habit of reading over the summer, a minimum of 3 age-appropriate books are required to be read by CGCA **students entering grades 1-5**. Students who read 10 or more books will receive a

certificate in the fall. Record the title, author, number of pages, and parent signature for each book read on 3" x 5" or 5" x 8" cards. These reports are due when returning to school on September 5, 2017. **Students entering grades 6-8** must follow the guidelines on the CGCA Summer Reading list.

SUMMER PROGRAMS AT THE LIBRARY: Representatives from the Lawncrest Free Library of Philadelphia, gave our students handouts about the activities and special summer programs at all the libraries in Phila. Students who participate will receive prizes. Detailed information is available at www.freelibrary.org/summerreading/ .

DVDS OF THE KINDERGARTEN OR EIGHTH GRADE GRADUATIONS:
