AUP Common Concerns and Clarifications

1. The use of personal devices between the hours of 8:00 am and 3:15 pm and while the student is on campus is restricted to areas of classroom study under teacher supervision and not for personal use at anytime throughout the day.
2. When devices are not in use for study during the hours of 8:00 – 3:15pm they should be off and kept in the student's locker or designated secure site in the school.
3. If a device is not registered with the school, it may not be used anywhere on campus.
4. Having registered devices out and in use before 8:00 and after 3:15 must be approved by the school authority on site. Please refer to the CGCA Technology AUP. The policy remains in effect and CGCA accepts no liability for the device.
5. The use of personal devices on campus or school functions before or after school hours is discouraged. The school accepts no liability during these times. Any violation of the school's AUP on campus or during any school function will result in consequences stated in the AUP and item #8 on this form.
6. Devices are not permitted at lunch or in chapel for any reason.
7. Improper use of any device will result in confiscation of the device. Upon the first offense the device will be confiscated, demerits issued and returned once parents are notified. The second offense will result in a detention and a parent conference. Following a third offense the phone will be confiscated, suspension assigned and all personal device privileges revoked.
