## 2019-20 CSFP Scholarship Award Amounts (Everything you need to know)

CSFP no longer provides schools with a paper list of CSFP award winners. This information is available to school representatives in **real time** in the CSFP scholarship portal. School representatives should **not** rely on family award letters to obtain this information. To confirm award amounts, please:

- Log into our scholarship portal at <https://csfp.civicore.com>
- Go to MY SCHOOL > SCFs
- Filter *School Year* for 2019-2020 (default is 2018-2019)
- Students with confirmed enrollment are listed with a CSFP Scholarship Amount
- These amounts are accurate as long as:
  - no “tuition discrepancy” error message shows when completing the SCF for this student, AND
  - tuition and/or additional financial aid from other sources has not changed since completing the SCF
- *CSFP award amounts are subject to change if a student’s tuition amount changes and/or if a student receives more or less other financial aid than was originally reported on the SCF.*

If you have any questions or concerns about CSFP award amounts, please contact Julie Raiken at [JLRaiken@csfphiladelphia.org](mailto:JLRaiken@csfphiladelphia.org).

## **Bidding Farewell to CSFP ED, Heather Fratton**

Please join CSFP staff in sending all best wishes to our departing Executive Director, Heather Fratton, as she joins Penn Law to serve as their Vice Dean for Development and Alumni Relations. CSFP is thankful to Heather for her leadership and will soon welcome our valued Board member and longtime Chief Administrative Officer at Methodist Hospital, Jim Robinson, who will step in as Interim ED. CSFP is poised with an exceptionally talented team to continue to move our scholarship work forward during this transition.
