A family discount provides an allowance in the tuition structure for families with two or more children in grades 1-8. The reduction ranges from 15% to 50%.

1II. SCHOLARSHIPS/DISCOUNTS

A. Need based scholarships are available for families who are current in their financial obligations. For more information contact the office or apply online at www.factstuitionaid.com.

A family's need is the difference between their tuition and the amount they should be able to pay as determined by FACTS Grant & Aid Assessment Service.

B. Pastoral discounts are available to qualifying pastors. Contact the Administrator for those guidelines.

C. The Tuition Recruitment Program provides a \$350 tuition credit to currently-enrolled families who recruit a new family (having children in grades 1-8) to CGCA. The new family receives \$150 tuition credit as confirmed by a completed Tuition Recruitment Voucher. If the new family has children only in pre-k and kindergarten, the recruiting family gets a \$100 credit for each child and the new family receives a \$50 tuition credit per child. The new family's enrollment and attendance for the entire 2011-2012 school year provides this credit.
