The Mission of Cedar Grove Academy is to give a quality Christian Education emphasizing traditional Biblical value.

Middle School Personal Technology Registration

We feel that it is necessary to strongly enforce our school policy that students not keep personally owned technology on their person or anywhere convenient for access while in school unless it is being used in an educational capacity.

Please keep in mind that you have already agreed to the school's technology Acceptable Use Policy (AUP) as part of the parent/student handbook agreement. The CGCA AUP can be accessed on our website under, "About CGCA".

In order for your child to bring a cell phone or other wireless device to school a copy of this letter, with a parent's signature, must be on file in our school office. Once a letter is on file it will be the child's responsibility to account for their device(s) daily.

Please sign below acknowledging that you wish your child to bring a device to school, and that the school is NOT LIABLE. You are assuming 100% responsibility.

There may be times when students are given permission or even encouraged to use their device on school grounds and/or during school activities for study/school related activities. This will be done with school authority's permission and in the presence of said authority. Each student assumes full responsibility for use of device during this time. Students may not use their school registered device for personal use during the school day.

As a parent or guardian, I agree to hold harmless Cedar Grove Christian Academy and their officers, employees and agents from any claim, damage, liability, injury, expense or loss, including defense costs and attorney's fees, arising from use of these devices. CGCA will not reimburse for lost or stolen devices, nor will CGCA troubleshoot or repair damaged technology.
