Dear Parent / Guardian:

As you consider where your child will attend high school, I want to encourage you to seek a Christian school. This choice will continue to support your family with the teaching of Biblical truths and values along with strong academics that have been taught to your child at Cedar Grove Christian Academy. I praise the Lord that my three children have always been able to attend Christian schools and colleges. The edification process that each one experienced has always been a source of blessing to my wife and me. Here is a list, by no means meant to be complete, of Christian high schools that past CGCA graduates have attended. I trust this will be a help to you.
