BLACK HISTORY MONTH: During the month of February we will be highlighting what is being done in our classes. Many biographies of famous African Americans are displayed in our hallways around the building.

Kindergarten – Miss Ide – The kindergarten students read about Ruby Bridges, Philip Downing, Jackie Robinson, George Crum and Alfred Cralle and made art projects. They will have a potato chip taste test and an ice cream sundae to celebrate the invention of the potato chip and the ice cream scoop. Miss Ide's class also read other books about African Americans.

3rd grade – Mrs. Bryan – The 3rd graders are reading and discussing *If You Lived at the Time of Martin Luther King* by Ellen Levine.

4th grade – Mrs. Nolan – The 4th grade class is learning about "He Had a Dream, I Have One Too" as well as writing assignments, Black History Art drawing/story, Harlem Renaissance Collage, Harry Hoosier biography, Black History Revolutionary War Heroes and Black History Research/Presentation Bio.

5/6 ACE – Mrs. Brennan – The 5/6ACE class is celebrating Black History accomplishments through the Christian perspective. They are looking at how faith in Jesus guided and strengthened

individuals such as George Washington Carver, Marion Anderson, and Ruby Bridges. Their faith in God helped them through great adversity mainly caused by a one-sided society. Their accomplishments and bravery helped to pave the way for a better world.

5th and 6th grade – Mr. Wexler – The 5th and 6th graders watched videos on YouTube about *Black Scientists and Inventors and the Life of Martin Luther King*. The 7th graders read the article “Why Christians Should Observe Black History Month”.

We are also thankful that the virus rate of infection is slowing and that the vaccine for some is now a reality. Lord willing, this virus will soon be in the rear view mirror. As businesses open, public schools get back in session, and life begins to return to a new normal, we urge you to continue to partner with CGCA as we faithfully serve our Christian families in our little corner of the world. It is our desire and mission to have all our students present under the loving care of our staff. It is in this atmosphere that our mission to help you raise up Godly men and women can flourish. For the past year we have had to be totally and then partially online. However, we realize that we can have the greatest influence and be most successful in our mission when our students are here with us in person. We provided a quality online platform because it was the best possible means of ministering with the emergency we were all confronted with at the time. As the threat diminishes and, Lord willing, eventually passes, we plan to end the online option and continue to serve our families here at CGCA in the manner you have grown to trust and support. Looking forward to seeing all our students in person as soon as possible.

CHILD ABUSE AWARENESS TRAINING: Each year CGCA schedules time for staff to learn the best practices for child abuse awareness. They learn how to recognize signs of child abuse and how to help children who have been victimized by this heinous act. They learn how to avoid pitfalls and be aware of potentially dangerous situations. It is our goal to train every staff member to know how to handle scenarios that may be harmful. We have partnered with a company called Praesidium to provide both online and onsite training for our staff in this area. We have also purchased their student training materials to help our children be aware of child abuse, know how to recognize it and the best ways to handle a situation if or when it presents itself.

EVENING OPEN HOUSE: Open House – Thursday, February 18, 2021, 5-7pm. Please spread the word. We will be open for 2 hours. We will have the entire building sanitized. We take every precaution to do our very best to slow or stop the spread of the virus. We have safely operated in-person learning now since late August and hope to continue doing so the rest of the school year.

ADOPT A SCHOOL IN AFRICA: Pastor Bill Devlin recently spoke in one of our chapels and our student body was so moved by his stories of the people that he has helped, we decided to support him as our new school missionary and begin collecting donations for the work he sponsors. We will be adopting a school in East Africa and sending donations to them each month. They set up Christian schools for local towns and build a basic facility for them. They can build and supply a school for \$4,000. Each class is encouraged to keep a donation bank in their classroom for students to add to it with their personal funds. Literally every penny counts.

WINTER INDOOR SPORTS: As of Jan.10, we were permitted to begin limited indoor sports. We are looking into the possibility of participating in travel basketball, volleyball and intramural soccer beginning in February.

RE ENROLLMENT HAS OPENED: As of last week we opened re enrollment for the 2021-22 school year. This year we rolled out a Continuous Enrollment program. Once a family re-enrolls this coming year, they will not have to re-enroll again until their child graduates from high school. We have spoken with several families that are anxious to enroll their child in our Pk - 9th grade programs. Enroll soon. Feb. 16 we will open enrollment to new families and the cost for re enrollment increases by \$50. Please enroll now and take advantage of this early, less expensive offer only for our returning families.

FUTURE HIGH SCHOOL PROGRESS: The video presentation, tours of our school explaining the plans for the coming years, and our town hall style meeting held onsite and broadcasted on Zoom simultaneously have had positive effects. According to our surveys 90% of our graduating class are “seriously considering” enrolling in the CGCA high school. Mrs. VanEmburg, Mr. Howard and the entire school staff are working hard to make sure we are not only ready to continue our students training on through high school, but do it in a way that glorifies our Heavenly Father. Strong academics and spiritual enrichment continue to be the primary reason for considering CGCA for high school.
