

## Cedar Grove Christian Academy

# Annual Country Fair and Flea Market!

Help fill the  
**WHITE ELEPHANT  
TABLE!**

Once again, we will be having a White Elephant Table at the Annual Cedar Grove Christian Academy Country Fair and Flea Market! You can help! If every family in our school would send in a few items, our table would be full!

Please look around your house for anything that you are not using any longer. The items should be in good shape and might be of value to someone else. It's almost springtime and that means time to clean out the closets, drawers, basement, and garage and donate the things you haven't used for a while. Example of items: books, magazines, toys, knickknacks, kitchen items such as dishes and glassware, household items, small appliances, sports equipment, furniture, toys, rugs, etc. **PLEASE, NO CLOTHES OR SHOES.**

Please ask your neighbors, relatives, friends, and church family for items that they can donate. This table brings 100% profit for the school and can be as successful as you make it.

Thanks for your help and don't forget to visit the White Elephant Table on **the LAST SATURDAY OF APRIL** - you may find something you can use or you might just see your item was sold. Remember, "One man's trash is another man's treasure".

**DONATIONS ARE NOW BEING ACCEPTED!** Items can be placed on the tables provided in the basement of the school.

Happy Cleaning!
