SUMMER SCHOOL INFORMATION

Dear parents,

The summer school experience is provided for the following reasons:

To make up failed courses from the current school year.

To offer concentrated review and reinforcement for your child in specific weak areas to build understanding and confidence.

To smooth the way for students entering the ACE program in September.

Students take diagnostic testing and learn to handle ACE procedures.

To offer enrichment for those interested in enhancing their skills.

A **green sheet** from your child's teacher is attached to a packet that was sent home if he/she is required or recommended for summer school. Students who are **required** to attend summer school **must do so in order to be promoted to the next grade.** If a teacher **recommends** your child, this should be taken seriously. It indicates that your child's teacher has recognized an academic weakness. Also, some children have trouble retaining information and need further work. This is especially serious in math, since the concepts introduced in the next grade build on the ones already learned.

If you received the green student status sheet, please fill in and return the green student status sheet by the 3rd Monday in May. Be sure to check the appropriate boxes and sign it. Also be sure to include appropriate phone numbers. Your child is **not considered registered until a deposit of \$100 has been made.**

The Summer School Registration Information Letter is listed below. Costs and dates are given on that letter. A copy of the Summer School registration form is the last page of this document. You may send in your registration immediately if you wish.

Sincerely,

Jeffrey Howard

SUMMER SCHOOL REGISTRATION INFORMATION

We are happy to inform you that Cedar Grove Christian Academy is again offering a summer school program this year for students **entering** grades 2 through 9 in September. Courses available are math, English, social studies, and science. If your child needs reading, please contact Miss Woods. This subject will be handled separately from the regular program. Summer school begins Wednesday following the last day of school and runs through for 5 weeks, from 8:30-11:40 a.m. daily, except for the Fourth of July holiday. **On the Tuesday after the last day of school diagnostic testing will be held for students taking math or English.**

The cost for summer school is as follows:

Cedar Grove students

\$330 for the 5 week term
\$30 materials fee for adding a
second subject

Non-Cedar Grove students

\$350 for the 5 week term
\$30 materials fee for adding a
second subject

Our summer school program is not just for those students who are required to attend but also for students who have normal weaknesses in math, English, social studies, or science and would like to be better prepared for their next grade.

If you desire to enroll your child in our summer school, please fill in the summer school Registration Form and send it to the school office to the attention of Miss Woods. A minimum of \$100 (full payment for a non-CGCA student) should be sent in with the registration form. The balance of the tuition is due no later than the end of the 3rd week of June. **There will be a late fee of \$25 for anyone registering after Summer school begins.** Please be sure to send summer school money separately from other money due the Academy. Make summer school checks payable to ***Cedar Grove Christian Academy*** and specify "summer school" on the check.

If you have any questions, please call Miss Woods at the school: 215-725-3383.
