### **SUMMER SCHOOL REGISTRATION INFORMATION**

We are happy to inform you that Cedar Grove Christian Academy is again offering a summer school program this year for students **entering** grades 2 through 10 in September. Courses available are math, English, social studies, and science. If your child needs **reading**, please contact Miss Woods. This subject will be handled separately from the regular program. Summer school begins Tuesday following the last day of school and runs for 5 weeks, from 8:30-11:45 a.m. daily, except for June 19th and the Fourth of July holiday. **On the Monday after the last day of school diagnostic testing will be held for students taking Math or English.**

The cost for summer school (**except for reading**) is as follows:

#### **Cedar Grove students**

\$330 for the 5 week term  
\$30 materials fee for adding a  
second subject

#### **Non-Cedar Grove students**

\$350 for the 5 week term  
\$30 materials fee for adding a  
second subject

Our summer school program is not just for those students who are required to attend but also for students who have normal weaknesses in math, English, social studies, or science and would like to be better prepared for their next grade.

If you desire to enroll your child in our summer school, **please fill in the Summer School Registration Form** and send it to the school office to the attention of Miss Woods. The registration form is available online. A minimum of \$100 (full payment for a non-CGCA student) should be sent in with the registration form. The balance of the tuition is due no later than the end of the 3rd week of June. **There will be a late fee of \$25 for anyone registering after Summer school begins.** Please be sure to send summer school money separately from other money due the Academy. Make summer school checks payable to *Cedar Grove Christian Academy* and specify "summer school" on the check.

If you have any questions, please call Miss Woods at the school: 215-725-3383.
